freedomRail®

THE TRULY ADJUSTABLE STORAGE SYSTEM.

DURABLE.

Designed with up to 50% more steel than most adjusting systems to withstand active families. The strength and engineering of freedomRail will provide years of worry-free use.

STRONG.

As strong as it is beautiful, freedomRail holds more weight – 150 pounds per linear foot – than other rail-based systems.

VERSATILE.

freedomRail offers endless flexibility and components can be easily adjusted to fit your active lifestyle, without any tools.

BEAUTIFUL.

Choose from nine on trend finishes to complement décor throughout the home. A full line of accessories to maximize your storage space.
